Unity of Fire and Water: Discovery of the Absheron Peninsula

full-day tour

tour itinerary

Start point:	Baku
End point:	Baku
Duration and capacity:	10 h (15-20 people)
Seasonality or weather conditions:	All year round (opportunity to see flamingos in winter months)

key features

Reserves and National Park	Visit the Absheron National Park, as well as the Yanardag and Ateshgah Temple reserves, known for their ancient history and culture on the Absheron Peninsula.
Local experiences	Yanardag is considered one of the natural wonders of Azerbaijan with its fires that have been burning for thousands of years. And the Ateshgah temple in Absheron shows a unique synthesis of different religions and cultures. Ateshgah Temple, once known as the 'Zoroastrian Kaaba', is a place where religious beliefs such as Zoroastrianism, Hinduism and Sikhism converge. The Jahartag fire altar here reflects the ancient Zoroastrian architecture, and the surrounding cells reflect Hindu religious rituals. It is also possible to explore Shah Dili by walking in the territory of the Absheron National Park. Shah Dili is considered the farthest southeastern point of the Absheron peninsula.
